

ENVIROSERVE®

10-DAY TRANSFER FACILITY

ESSENTIAL TRANSFER SERVICES THAT LOWER COSTS AND REDUCE LIABILITY.

At EnviroServe, we ensure your waste management is compliant while minimizing your environmental impact. Our 10-day transfer facilities provide temporary storage for hazardous waste without needing full permits, providing you with a secure and safe disposal solution. By consolidating waste, we can significantly reduce your transportation costs. Each facility operates within the regulatory frameworks of the Environmental Protection Agency (EPA) and offers the convenience and flexibility of removing on-site storage risks.

- EPA and RCRA-compliant
- Optimized logistics and centralized management
- Reduced carbon footprint
- Transportation costs cut by 3-4 times compared to on-site disposal

Why EnviroServe?

- Responsible waste handling
- Cost savings
- Waste management expertise
- Environmentally responsible
